Experience - Commitment- Results

## Experience.

For years we represented Insurance Companies. Now we only help injured persons and their families. When a serious injury occurs in your family, you need a law firm experienced in handling sensitive and difficult cases. We are well-versed in dealing with insurance companies, and we know where and how to find hidden details that make a difference.

## Commitment.

Your case is important and we treat it that way. **WE PROMISE:** (1) If the law and facts entitle you to recover damages-we can help; (2) To keep you informed about your case; (3) To always return your calls; (4) To guide you through the process and thoroughly answer any questions; and (5) To resolve your case to your satisfaction as quickly as possible.

## Results.

Our substantial trial experience serves to maximize client recoveries, often through favorable settlements outside the courtroom. We have successfully represented hundreds of folks and their families. We are humbled and honored that most of our clients are referred to us by former clients. Before you talk to the insurance company, call us first or you may make a permanent costly mistake.

# Preparing for an Emergency Makes Sense.

The likelihood that you and your family will survive a house fire depends as much on having a working smoke detector and an exit strategy, as on a well-trained fire department. The same is true for surviving a terrorist attack or other emergency. We must have the tools and plans in place to make it on our own, at least for a period of time, no matter where we are when disaster strikes. Just like having a working smoke detector, preparing for the unexpected makes sense. **Get ready now.**

**1 Get a Kit** of Emergency Supplies.

**2 Make a Plan** For What You Will Do in an Emergency.

**3 Be Informed** About What Might Happen.

**4 Get Involved** in Preparing Your Community.

**Find out how by visiting www.ready.gov or calling 1-800-BE-READY**

## Recommended Supplies to Include in a Basic Kit:

- ❒ **Water** one gallon per person per day, for drinking and sanitation
- ❒ **Food** at least a three-day supply of non-perishable food
- ❒ **Battery-powered radio** and **extra batteries**
- ❒ **Flashlight** and **extra batteries**
- ❒ **First Aid kit**
- ❒ **Whistle** to signal for help
- ❒ **Filter mask** or cotton t-shirt, to help filter the air
